Welcome to Millstone Park

This exciting new development is in the historic Cambridgeshire village of Burwell and within easy reach of Cambridge and Newmarket. Burwell benefits from a wide range of residential amenities and services, including a doctor's surgery, day nursery, primary school, post office, public houses, local convenience stores and a café.

Millstone Park is set to meet the needs of new residents whilst welcoming and embracing the existing population, providing a sense of place and community which enhances the existing character of this village location.

At the Millstone Park development you can choose from a selection of 2, 3, 4 and 5 bedroom homes that are designed to suit the needs of today's lifestyle.

The B1102 runs through Burwell and leads to nearby Fordham to the north while connecting to the A14 to the south of the village. The A14 links to the university city of Cambridge and to the M11, which takes you to London.

Burwell is a bustling village with a Co-operative supermarket, petrol station, pharmacy, coffee shop, newsagents and hair and beauty services. Further afield in Newmarket you will find a Tesco Extra, Waitrose and Aldi supermarket just 3.5 miles away.

Go back in time with a visit to Burwell Museum and Windmill. The museum includes an 18th-century barn, filled with reconstructions that depict how living spaces would have been in Burwell in the 1700s. Stevens' Mill, meanwhile, is the village's only surviving mill. It was built in the 1820s and provided flour for villagers and farmers in the area.

If you enjoy a live performance, take in a production at Burwell House. This popular venue dates back to the 1700s and is now an events and educational space that is used by schools and residential groups.

There are also walking routes that take in Burwell Lode. Lovers of walking and hiking can try the 10.6km Burwell Fen Circular, one of the area's more popular trails.

The perfect position

Education for everyone

You can find several primary and secondary schools rated 'Good' or 'Outstanding' by Ofsted in the area. The world-renowned University of Cambridge is half an hour away from Burwell. This historic educational institution consistently ranks among the leading universities in the country.

A home designed with you in mind

We are constantly reviewing our houses and ensuring they are everything that our customers want in a home. We are proud to have developed and launched a new range of homes.

These homes have been created to embrace modern design and styling, whilst retaining classic architectural traditions

An integral part of the design process for our new range of homes was to ensure they have a real wow factor and eye-catching kerb appeal. From designing external elevations to create attractive street scenes through to maximising the flow and size of the rooms, the homes include a variety of features to capture the attention.

The size, positioning and number of windows in our new housing collection have created bright and airy homes, this mixed in with the higher ceilings gives your property a spacious feel.

The flow and layout of the new homes has been a key consideration to accommodate today's lifestyles, with a focus on future living.

With the kitchen at the heart of the home, impressive family spaces have been included within them to create sociable living areas, while attention on bedroom 1 and en suites has given the homes added desirability.

Many of the properties include popular bi-fold doors helping to bring the outside in and enhance the gardens as an extended living area.

Firm foundations means peace of mind for you

When buying a new home, you want to be sure you can trust your builder. Choosing a Linden home gives you the peace of mind that comes from choosing a company that is a 5-star HBF housebuilder. **This means more than 90% customers would recommend us to a friend.**

We pride ourselves on being one of the country's leading housebuilders and have established an enviable reputation for the quality of our build and design, specification and customer service.

Each Linden home is carefully planned both to meet your needs and to integrate into the existing location.

We will often use local materials and reflect regional features. Trees are retained wherever possible and new landscaping added, along with footpaths and cycleways in many cases to help create a wonderful place to live.
