

Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

Overview

Overview of what's being built. In addition, the development will provide:

- 265 new homes including 101 open market sales as well as homes in partnership with housing providers offering shared ownership and affordable rent.
- An additional 25 open market plots were sold to our partner Platform in June 2024.

Site activity

- 97% of plot build commenced (258 units)
- 94% of ground slabs installed
- 76% properties now watertight
- 80% of floors now installed
- 62% of plots handed over (163 out of 265 units)

Energy Efficiencies

- Homes available through the open market include Air Source Heat Pumps – an energy efficient heating system powered mainly by renewable heating rather than traditional fossil fuel gas boilers.
- All open market homes for sale will also include EV car charging points.

Timeline

Upcoming works include:

- Further 12 Platform units due to be handed over by December 2025
- Further 15 Linden units due to be handed over by December 2025
- Completion of remaining Platform units (30 units) expected by April 2025
- Commencement of final 7 units foundations once soil pile removed.

Managing agent

- Trinity (Estates) Property Management have been appointed as the Managing Agent for Pleasley View.
- They are responsible for the general maintenance of the public open space and services include landscaping, play area maintenance, Public Liability Insurance, Health and Safety assessment, inspection costs and company administration/secretarial fee.

Ecology

We have ensured that the development will positively affect wildlife that use area of the site for habitat. The current proposals state that once the full development has been completed, there will be a 66% increase for area-based habitats on the site and 152% increase in hedgerow based habitats.

How will the development benefit the local community?

In terms of S106 contributions, we had agreed to commit the maximum contribution of £879,000 to the Local Council. The fee is to be used mainly to develop off-site highway works with any unused money to go to the local GP practice/service to improve the local facilities and also to the Local Bus Service to improve services in the immediate and wider area.

Development layout plan

- 4 bedroom home**
- The Myrle
- The Goodridge
- The Aslin
- The Burnet

- 3 bedroom home**
- The Brook
- The Emmett
- The Eveleigh
- The Mountford
