

Park Gate

Development update

Issue 4 | January 2026

Keeping you updated!

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

Overview

Summary of what's being built:

- 190 open market homes sold by Linden Homes
- 210 Pre-sold homes
- Local Areas of Play (LAPs) & Multi Use Game Area (MUGA) will be installed
- Multiple attenuation ponds, which are designed to capture any excess surface water and release it to a watercourse at a controlled rate, to be installed.
- Solar panels and EV Charging*

*To be installed to selected homes only

Site activity

Site Opening Times

Mon-Fri: 8:00am-5:30pm

Saturday: 8:00am-1:00pm

Timeline

- Roads and footpaths remedial works have begun and are on going
- Final occupations are estimated for end of 2026
- The Green is now reserving – The Green a stunning new phase of 3 and 4 bedroom homes set in a peaceful, secluded location within our Park Gate development in Kidderminster. Each home will feature a superior finish, with high-quality upgrades that set them apart.
- The Green; First occupants have taken place
- Home 246 The Kempthorne Show home due to open end of October on The Green
- MUGA next to the Green coming soon
- Play area off road Crocus way due to open Nov '25
- More homes on the wide Park Gate development coming Q2 2026
- The Crescent Junction – Works Complete - Improvement works at The Crescent junction have now been fully completed, enhancing traffic flow and access around the site.
- Ongoing Footpath Works - Final footpath installations and associated works are continuing, with teams progressing steadily toward completion.

Ecology

- Bird boxes and Bat houses will be installed in a variety of locations across the development as part of our habitat creation strategy.
- Bat sensitive street lighting install and ongoing surveys are carried out to monitor roosts & sizes of bat species.
- Provisions have been put in place for protected animal species.
- We are working in Partnership with the Bumble Bee Conservation Trust, ensuring that we are planting bee friendly landscaping across the development. This is part of a much larger initiative for Vistry Group, in our bid to help protect our wild bees, wildlife and climate.
- A new species of dragon fly to the County has adopted our Park Gate Site!
- The Woodland Walk, which sits around the entire development is now open for all residents to enjoy.

Contact details: 0333 321 4080 you can submit an online form via www.firstport.co.uk

Please visit our website for further management company details

Services

The Current service providers are:

Gas & Electric: British Gas

Telephone/Broadband: BT

Water: Independent Water Networks (IWNL)

The site plan which can be found on this page, has been produced for home identification purposes only and is not to scale. The development layout, landscaping and tenure of all dwellings may be subject to change throughout the course of the development. Finishes and materials may vary from those shown on the plan. Please check the details of your chosen plot and house type with the sales consultant. Development layout plan correct at time of production.

How will the development benefit the local community?

The development will support the local community by contributing over £2.6m towards:

- Education
- Health Care
- Travel
- We are also contributing £150,000 towards the football pavilion
- We are also donating toward the KEMP Hospice – Christmas Tree Recycling campaign for the 5th Year running

We've also engaged with Wolverley CE Secondary School, who we have worked closely with. We have attended careers fairs based at the school, taking along trades from the development, such as brick-layers, plumbers, electricians etc, allowing the children to have a true insight to what is involved.

We also visited the school with the Bumble Bee Conservation Trust, educating the children on the importance of these insects.

Please be aware that the dates and information provided are correct at time of print/publication and are dependent on several factors, including weather, therefore are subject to change.

Thank you for your patience while the construction work is taking place. We try to keep disruption to a minimum but appreciate it can be noisy and dirty at times so do contact us if you have any questions, or if you'd like to provide any feedback, by emailing:
